- State employees are automatically enrolled within 30 days of receiving written notification.*
- Automatic savings starts with a \$10 per paycheck contribution (45-60 days after employment start date)
- Log in to your account online to change contributions, manage account, or decline enrollment
- **To decline auto enrollment: You must register online after you receive your automatic enrollment notice in the mail and choose \$0 contribution or call 1-800-551-4218**

*Automatic enrollment in the WV457 deferred compensation plan is required under West Virginia State Code §5-10B-3a for most full-time state employees. Exemptions from automatic enrollment include temporary employees, Higher Education Policy Commission employees, Council for Community and Technical College Education employees, and employees of the state's public institutions of higher education. Employees may choose to decline participation in the state's deferred compensation plan.

Don't forget! Register your account at WV457.gov or call 1-800-551-4218.
